

Clovis-Carver Public Library  
Summer Schedule

Be Creative @ Your Library  
June 1 – July 31, 2009

General Weekly Schedule:

\*Mondays – 1:30 PM, kids 10 yrs. & up, Reader's Theatre. Kids will have fun participating in a play without having to memorize parts. Drama Kings and Queens are encouraged to attend!

\*Tuesdays – 10 AM, kids 7 – 10 yrs., Kids Hour. This is an “inFUNmational” program. Kids will learn about some great books that will tie in with our summer theme, ways to get creative *anywhere*, and perhaps be inspired to share their creativity in the “Director’s Chair”!

\*Wednesdays – 10 AM, toddlers 12 mos. – 3 yrs., Toddler Time. This fast paced, repetitious, program is for toddlers and their parents or caregivers. Toddlers will have fun learning about taking turns, when to sit and when to play, the very beginnings of the alphabet incorporating sign language, and make friends with little ones their own age! Adults are encouraged to join in and model the motions. It is not only fun but will help their little one to relax and participate.

\*Thursdays – 10 AM, kids 3 – 7 yrs., Children's Storyhour. These storytimes will have different themes each week but will still follow the overall theme. Kids will hear fun stories, play a game or two, and make a fun craft\* to tie in with the theme. \*There will not be a craft if there is a performer scheduled for that time.

\*Every other Friday (schedule will be available in May) – 1 PM, Free Movie!  
These movies will be rated G or PG and will show “creativity” in one form or another.
