▶ April 7th to April 13th is National Library Week! Help us celebrate by taking advantage of our book collection and our programs for patrons of all ages!

▶ The Anime Club will meet on Saturday, April 6th for Candy Sushi Day! Join us at 11:00 am in the Craft Room to create some fun sushi-shaped sweets!

▶ Friday, April 12th is National Drop Everything and Read Day! Let's celebrate Beverly Cleary's birthday by making time to read!

▶ We will have a table set up by our Word Wall for patrons to engage in "Blackout Poetry" as part of our celebration for National Poetry Month. Don't hesitate to approach any staff member if you have questions about the activity.
